Assessments

Furtive

Washington Interactive Order Information

Step 1: Choose how you will deliver the content

Depending on your classroom set up, we have listed the two most popular options. You can, of course, customize this however you need to in order to fit your needs. As a teacher, you have the rights to print all of the pages for the amount of students you teach.

Digital Method

This assumes students have their own individual devices. (ie., tablet, laptop).

Students will log in individually. (The login will be provided for you at the time of the order. Each student login is **\$5.00**)

Students can follow along with you as you go through each section, or can work at their own pace, including taking assessments on their own.

Total Costs:
\$199 per teacher + \$5.00 for each student log in.

Student log ins are a yearly fee.

Traditional Method

This assumes students DO NOT have access to devices, rather that the teacher has a computer and a projector that will be used.

The teacher will download the Student Articles as well as the Assessments and Furtive from the secure link we provide.

Print out copies of the Student Articles for your students. Have students keep these pages in a folder or binder.

3. Students will use the companion novel, *Furtive*. You can make copies for the students or simply read it as a read aloud.

You DO NOT have permission or rights to copy, share, disseminate or reproduce the digital files by any other means.

Total Costs:
\$199 per teacher

Washington Interactive Order Information

Q and A:

Question: There are three of us on a team and we all teach Washington State History. What would that cost?

Answer: That would be $\$199 \times 3$.

Question: I'm the only one teaching Washington State History and I would like my students to be able to go at their own pace. I have 25 students. How much would that cost?

Answer: $\$199 + \5.00 for each student. If you have 25 students, that would $\$125$, along with the $\$199$. Keep in the mind the student log ins would be a reoccurring fee each year, so each year, assuming you had 25 students, it will cost you $\$125$.

Question: Our school has set up an online Washington state class. What would it cost us?

Answer: $\$199$ per teacher/administrator and $\$5.00$ for each student. The student log ins fee is a reoccurring fee each year.

Washington Interactive Order Form

Most of our orders are through Purchase Orders. The best way to do this is to print and fill out this order form and email or fax it to us at: **509-829-6291**. If paying by check, please make the check to: **Smart and Smarter Publishing** and send it to: **PO BOX 1815 Zillah, WA 98953**

If you have questions, please email us at: services@sspublishing.org
