Students will log in individually to their own Student Landing Page. (The logins will be provided for you after your purchase) Each student login is \$7.50. This is a yearly subscription.

Students can follow along with you as you go through each section, or can work at their own pace.

Costs:

\$249 per teacher for first year

\$39.99 per year after the first year

\$7.50 per student login (yearly)
